## **Voicenet Communications Hosts New Mercer Science and Engineering Club Website**

Titusville, NJ – June 10, 2004

Voicenet Communications, Inc. ([www.voicenet.com](http://www.voicenet.com)) has joined a host of sponsors in supporting the Mercer Science and Engineering Club (MSEC) and Mercer Science and Engineering Fair (MSEF) by providing web hosting and email services to the Club. The Club's new website is [www.mercersec.org](http://www.mercersec.org).

The new site provides information about the upcoming 52<sup>nd</sup> Mercer Science and Engineering Fair that will occur during the week of March 12<sup>th</sup> 2005. The Grand Prize winner of the fair will be awarded an all expense paid trip to compete the Intel International Science and Engineering Fair in Phoenix, AZ. The 2004 Grand Prize winner, Laura Wong, recently took 2<sup>nd</sup> Place in the Computer Science Division at the 2004 Intel International Science and Engineering Fair held in Portland, OR.

The new website provides information about the fair to students, parents, teachers, and mentors. It also provides Internet links and information about science fair projects.

The Club greatly appreciates the support of provided by Voicenet Communications.

The Mercer Science and Engineering Club, Inc. is a non-profit corporation dedicated to fostering student interest in science and engineering. It hosts the annual Mercer Science and Engineering Fair in conjunction with Rider University in Lawrenceville, NJ. The Fair is open to schools located in Mercer County, NJ.

Voicenet Communications, Inc. is a privately held Internet service provider located at 17 Richard Road, Ivyland, PA 18974. It provides a range of commercial and consumer services including premium Internet access from dial-up to fiber optic links in addition to consulting and development services.
